

NEW!
**Drip Irrigation –
How to Install Your
Own and Save \$\$\$**
Hands-on Workshop

**Be prepared for the new
water conservation
regulations this summer.
Turn your yard into a place
of beauty while cutting
your water usage and costs!**

Irrigation expert, Steve Baker, will teach you the simplicity of installing and maintaining a drip system. He will discuss:

- **The advantages and disadvantages of drip irrigation versus a spray system**
- **Pressure reduction and filtration**
- **Irrigation controllers**

Participants will have the opportunity to actually work with irrigation equipment and practice techniques to make your installation at home less stressful and more successful.

Supplies: All practice materials will be provided

Instructor: Steve Baker

Fee: \$50.00
